British Periodicals.

EARLY COPIES SECURED. LIONARD SCOTT & CO., New York, continue to re-publish the following British Periodicals, vis:

THE LONDON QUARTERLY (Conservative). THE EDINBURGH REVIEW (Whig). THE NORTH BRITISH REVIEW (Free Church). THE WESTMINSTER REVIEW (Liberal). BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications u usually interesting during the forth coming year. They will occupy a middle ground between the hastily written news-tams, crude speculations, and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that realer must look for the only really intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public left Arrangements are now permanently mede for the receipt of Early Sheets from the British Publishers, by which we are enabled to place all our Re-prints in which we are enabled to place all our Re-prints in the bands of subscribers, short as soon as they can be fur-nished with the foreign c pies. Although this involves , very large outlay on sur ; rt, we hall continue to furnish the Periodicals at the same low r + 28 as heretofore, viz:—
